ENTHUSIASM IS WARMING UP

IT FOUND VENT YESTERDAY IN SINGING EVERYWHERE.

Rev. Charles M. Sheldon, of Topcka, Rends a Christian Endeavor Story-Convention Sermon Was anulus, of Chicago.

DETROIT, MICH., July 6.-Both of the great main tents owned by the United Society of Christian Endeavor were used to-night for the first time during the eighteenth international convention and contained their full quota of 10,000 people each and as usual hundreds of others who failed to secure admittance patiently occupied "standing room" all around the outer edges. Many visiting delegates from long distances came in to-day, swelling the number of stranger delegates beyond the 20,-000 mark. The convention days are essen-

To-day the Endeavorers honored the invitation of the mayor of Detroit to sing. Street car loads of them frequently along the streets, singing as they went. Ten thousand people crowded into Tent Williston for this evening's exercises. The decorations of Tent Williston are similar to those which embellish Tent Endeavor, and fully as elaborate. President Clark presided over the meeting, and P. S. Foster, of Washington, was musical director. The devotional exercises were conducted by Rev. Mr. W. H. Strong, of Jackson, Mich., and the ten minutes of "quiet meditation and prayer" by Rev. Mr. Clarence E. Eberman, of Lancaster, Pa. The two

He charged Mr. Roberts with being an especially flagrant type of polygamist, and asserted that his election as a lawmaker had raised an issue which Christians are bound to meet. for "Floating Christian Endeavor." Said he:

"The herole dead of Hawaii and the living heroes of Manila bay have called our attention to the herole stuff of which our heroes are made, but long before this our Christian Endeavor had appreciated the possibility of our sailor boys, and Antoinette P. Jones brought Christian Endeavor to the sailors and succeeded in enlisting Jack in the navy of the Lord Jesus Christ. "It," said Mr. Shaw, "I were to rehearse the moral victories Jack has won, the victories of Santiago and Manila would be outdone. It takes courage of which you have no conception to be a Christian on board ship.

have no conception to be a Christian on board ship.

"Nine years of loyal service for the sailors has only deepened our sense of the importance of this work and our conviction that there is no agency so effective as the Christian Endeavor Society. Through the home societies, the sailors when on iand are brought into direct touch with the churches and with noble Christian women who have such a refining influence upon the sailor. The work is worldwide, organizations existing in Canada, England, Japan. New Zealand, Australia, Sweden, as well as in the United States."

Mr. Shaw also spoke of "the travelers' union," which, he asserted, had regenerated many a traveling man into being a very different species of individual from the typical "drummer" of former days.

Among the announcements of the evening was a change in the place of holding the morning "quiet hour," which had out grown the largest armory in the city and will to-morrow be transferred to Tent Endeavor. The combined funior raily will also be held in Tent Endeavor.

Besides the main meeting, Rev. Mr. Charles M. Sheldon, of Topeka, Kas., the noted author of "in His Steps." to-night in the First Presbyterian church read a Christian Endeavor story, written by himself, entitled "For Christ and the Church"

Dr. Gensaulus dwelt on the significance of the fact that Ponilus Pliate considered in necessary at the time of the crucifixion to inscribe the title of Christ in three languages. "We must exalt day by day and hour by hour." said he, "this Christ, this King of Kings and Lord of Lords, who dragged the Greek, pulled the Roman and compelled the Hebrew to write upon His cross, whether it was in irony or sober fact, that He was King of the Jews."

Secretary Baer's report, which was submitted to-day, showed that there have been 2000 new societies organized during the past year, with a total of 100,000 new members. the flesh, or if, when the child reaches an age when it should be able to control the passage, and it is yet afflicted with bedwetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit, as most people suppose.

So we find that women as well as men are made miserable with kidney and bladder trouble and both need the same reunedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one dollar sizes. You may have a sample bottle by mail free, also pamphlet telling all about it, including many of the thousands of testimonial letters received from sufferers cured. That drunkenness is a disease is now generally admitted by intelligent people and that it can be cured is equally certain.

The Bartlett cure is based on the best principle of any liquor treatment now in existence and Alcoholism is treated by them much the same as a bad cold is cured by a physician. It does not drug-fortify the system as injection cures do, but goes directly to the seat of the disease, builds up the depleted nerves and restores clearness of the mind to the patient, aids the digestive powers and fully restores to the drinking man all that vigor destroyed by alcohol.
